**Mailing instructions:** Send this payment coupon and the check or money order in US funds to:

CAMP LI-LO-LI REGISTRAR  
279 River Street  
Rochester, NY 14612

Note: If **within 1 week of camp start date**, just bring the payment to camp with the camper (do NOT mail the payment for that week to the Registrar)

I understand the following:

- The minimum deposit to register a camper is \$50 per camper per week.
- The camper will not be registered until at least the minimum deposit is received.
- I will receive a receipt showing the balance due and must pay this in full by the registration day of the camp week.
- I can make additional payments on the website by credit card at any point in time if needed; or by check as long as I identify the camper and week that it needs to be applied to.
