

Camp Li-Lo-Li Discount Information

Please mail this sheet to the Camp Registrar so they can apply the correct discounts

The camp's online payment system does not allow you to enter discounts. Use this sheet to help figure out your total discount. Deduct that from the total when you pay by credit card or send in a check. When you send this sheet to the registrar, they will post the discounts based on the information you provide and send you a final receipt showing your balance remaining, if any, after discounts are applied.

Family Discount

For families paying for 5 or more weeks for immediate family members (siblings), deduct \$25 per week from the total bill.
(5 total weeks = \$125 discount, 6 weeks = \$150, etc)
(applies to full weeks of Pre-teen, Teen & Summer Round-up only)

Bring a Friend Discount

Bring a friend that has never attended summer camp at Li-Lo-Li and receive a \$50 discount. Up to 4 friends to receive \$200 off. The discount can be applied to the camper OR to the friend. The friend must actually attend camp or discount will be disallowed and the balance remaining is payable by the camper.
(Immediate family members are not eligible to be "friends")
